Bonelli **Erede** & Hengeler **Mueller**

A collection of art by artists from England, Italy and Germany was curated by Art Contact, for the German - Italian law firm's offices in central London.

Our brief for this project was to use international artists, particularly from Germany and Italy.

We chose works which related loosely to law, such as books by Veronica Bailey. The international theme was brought in through works by Piere Imhof and Irma Irsara.

The contemporary artwork was selected to re-enforce both the corporate identity and to support the minimalist interior design of their new offices.
