## Grove Hotel - 'Expression of Movement'

With the success of the inaugural exhibition 'Sculpture at the Grove' behind them Art Contact was invited back to curate another sculpture show within the grounds of the Grove Hotel near Watford, to celebrate talent from recent graduates to official BT sponsored artists and critically acclaimed public commission sculptors.

'Expressions of Movement' has been composed with the prolific events of 2012, the Olympic Games and Diamond Jubilee, in mind.

In close collaboration with the hotel staff and sculptors, exhibition locations were selected and Art Contact made the necessary arrangements for the installation of the exhibition. The installation took about a week and the exhibition ran for 6 months.
