London Digestive Clinic

Art Contact was selected to source and supply artwork for the new London Digestive Clinic in Welbeck Street. Working with the Designers a series of images were selected to complement the 'boutique' theme of the clinic.

In keeping with the overall design the images were printed onto acrylic panels and installed with stainless steel stand-off panel fixings.

As well as the artwork Art Contact was also requested to source and supply accessories for the clinic including ceiling lamp shades, ceramics, coffee table books, clocks, magazines and vases with floral arrangements for all 5 floors. The accessories completed the boutique theme through out the clinic.
