## Royal Marsden Hospital

Art Contact was approached by the Royal Marsden Hospital to source suitable artworks for their refurbished ward. With works selected for the reception area, corridors, consultation rooms and the patients rooms.

A woodland theme was selected for the reception and corridors with more colourful artist prints for the consulting rooms.

These artworks were framed in a moulding to suit the rest of the decor and were installed on security fixings to ensure that they do not get out of line when cleaned.

### SEVICES PROVIDED

- Consultation
